

JORDAN 2018

— MAY 19–30 —

MEDICAL MISSION

As authentic followers of Jesus Christ, we are His hands and feet to people here on the Peninsula and abroad. With this mission opportunity, we are looking for medical professionals who will take the gifts and skills God has given them and be the hands and feet of Jesus to the people in the country of Jordan. In addition to medical professionals, we need volunteers who will be willing to assist them with the logistics of the trip. Space is limited for this trip, so be sure to apply right away as this will be a first come, first serve selection.

Raising Support

As you prepare to go on this missions trip, God may have others He would like to involve in your journey. Raising support may seem awkward, but keep in mind that it provides an opportunity for others to participate in taking the Gospel to every tribe, tongue and nation. Ask your friends, family and others in your circle of influence to support you in prayer, and if possible, financially.

If you are a member of Coastal Community Church, you are able to receive financial assistance. Please contact the church office for details.
